SCHEUTER TECHNIEK

HISTORIC & VINTAGE

HISTORIC FORMULA ENGINE OIL 15W50

Designed for the Vintage Motor and Classic Automobile.

- Oil flows freely from -46°C (zero) temperatures
- Pour point gives excellent cold start protection (-46°C)
- ZDDP additive provides tough anti-wear protection
- Full compatibility with other Oils
- Exceeds requirements for severe high performance engines
- Outstanding thermal protection and oxidation; provides resistance to thermal breakdowns.
